N.B. If there are rain-offs on either Monday or Tuesday, then Wednesday's 20/20 matches will be cancelled and the rained off 50 over matches will be played on Wednesday at Neston cc. The draw for the 20/20 matches on Wednesday has been made out of a hat; the winners of each match playing off for 1st & 2nd places and the losers playing off for 3rd & 4th places on Friday morning at Boughton Hall cc.

If Wednesday's 20/20 matches do not take place, the Friday 20/20 match draw will be determined by where in the table each team finishes in the 50 over competition, i.e. 1st v 2nd and 3rd v 4th for a final festival 20/20 result.

Refreshments

On match days refreshments for parents and other spectators will be available on the various club grounds being used for the matches.

All Players, ECB and ESCA officials only are entitled to free tea/coffee/juice on the various grounds used and to the match lunch.

Clubs have been asked to provide free tea/coffee/orange squash to all those in possession of a valid ticket to the Annual Dinner which they may demand to see before serving. Such tickets are non-transferable.

Other refreshments will vary in price and availability depending on the customary practice at each club ground.

Social Events

1. Buffet Supper and Charity Auction in aid of ESCA and Help for Heroes

The Buffet Supper, followed by a Charity Auction, will be held at 7.00pm in the Small hall at Chester University on Tuesday 27th July. The auction will be conducted by well-known auctioneer Adam Partridge from the BBC's "Flog It" team. Admission is free to all those who have purchased a ticket for the Dinner in addition to all ECB, ESCA, and CSCA players and officials. If anyone wishes to attend this function only, and not the Dinner, the admission fee will be £10 payable on the night. Please ensure that you have your £10 admission fee or your Dinner ticket available for inspection on the door.

We hope to be able to raise a substantial sum for a very worthwhile national charity at a time when British involvement in Afghanistan is such high profile and its consequences all too tragically evident.

2. The 24th ESCA/Bunbury Dinner and Presentation Evening

This will be held at 7.00pm, for 7.30pm at The Pavilion Suite, Chester Racecourse, just a short distance from the University (a city map is enclosed). All players and officials will be ESCA's guests for the evening but Dr. David English C.B.E. would like to invite all parents and siblings to attend. If you and other members of your family would like to attend tickets are available and are priced at £36 per person (to include wine) and should be applied for using the form enclosed in the parents' pack which should be returned to the CSCA Treasurer Roger Wallington whose address appears on the form. The Dinner should end at approx 11pm.

Parking

There is ample free parking at Chester racecourse for the Dinner, but parents should be advised that parking at the University and at most of the grounds is rather limited.

The following have very kindly donated items for the Charity Auction : **David Hill, Patrick Payne, J W McKenzie, Steve Smith and Fran Cotton**

Help For Heroes

Help for Heroes (H4H) was founded by Bryn and Emma Parry after a profoundly moving visit to Selly Oak Hospital in the summer of 2007. Bryn and Emma met some extraordinarily brave young people who had been badly wounded and they just wanted to do something to help. The charity was then launched in October 2007 and, with the backing and support of celebrities, the Royal Family, the media and countless ordinary decent people, it has raised over £1m a month since then. Help for Heroes is strictly non-political. The money that is raised at Help for Heroes is used to support wounded servicemen and women of every colour and creed.

The message is simple: H4H does not seek to criticise or be political, it simply wants to help and does so by asking everyone to do their bit to raise money. Once the money is raised, H4H go to the experts in the Army, Royal Navy and Royal Air Force for guidance as to how best to spend it. It is the intention to spend all that is raised on the practical, direct support of those wounded in the service of our country since 9/11.
